Openstudio description

Designblok Openstudio is a space devoted to presentations and exhibition concepts by designers, design studios and artistic school, making up the entire spectrum of contemporary design (product design, fashion design, jewelry design and graphic design).

The Openstudio also displays exhibitions by the finalists of the international contest Designblok Diploma Selection. The Diploma Selection serves as a platform for presenting the best diploma theses in fashion and product design from prestigious universities and school studios around Europe.

Openstudio is located in the left wing of the Industrial Palace. Apart from the exhibition area, the venue also contains a food court and a stage for live programme; panel discussions, presentations, music program and networking events.

The Fashion district is equipped with a payment terminal and changing room.

Annual Openstudio attendance is about 40.000 visitors.

Main goals are:

- confrontation of local and international designers, both established names as well as young talents

- support of young Czech design

- encouraging new connections and cooperations between manufacturers, distributors and gallerists, creating a professional network

- direct sale to visitors

Address: Industrial Palace, Výstaviště 67, 170 90 Prague 7 – Holešovice

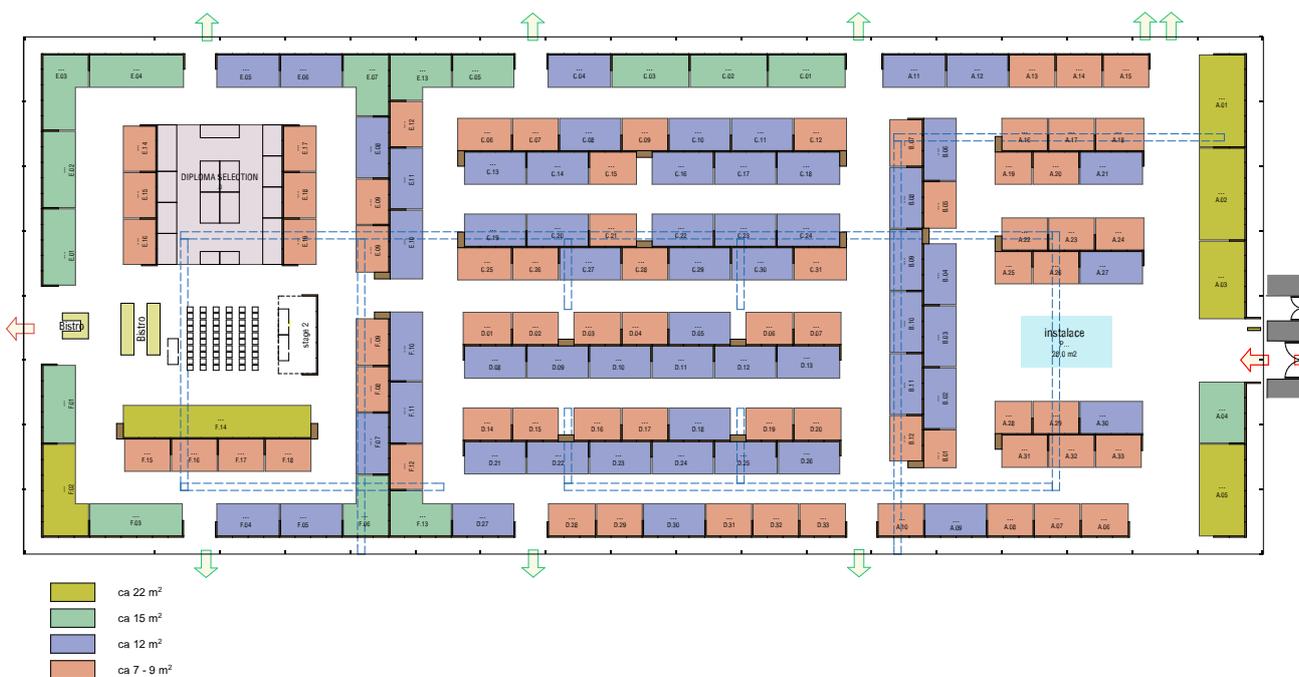

Openstudio map and price list 2019:
