Characteristics

City – Galleries, Studios, Showrooms – galleries, pop-up stores, shops and showrooms or any other space the entity chooses for its presentation and is produced and used by it, based on the existence of a valid independent legal title.

Located mainly in Prague but also in other cities of Czech Republic.

Dozens of galleries, exhibition spaces and showrooms have become an inherent part of Designblok. They prepare their own programme and special events for the audience during Designblok. Fashion brands, pop-up shops, jewellers and open exhibitions in their own spaces, as well as Prague art schools who exhibit works of their students and graduates. Museums exhibiting and collecting design also participate in this section of Designblok. You will find all the participants in the Map.

If you want to participate with your exhibition space in the city, please submit your application.

The contact person is Sára Hölclová (+420 776 133 010, sara.holclova@profilmedia.cz).
